

Sprint 2 Report - GiG - GiGgle - 11/04/16

Actions to stop doing:

There's nothing we should stop doing, but there is more we could be doing. We are not totally satisfied with our development process because we didn't get everything we wanted done.

Actions to start doing:

- Version Control with Git
- Better implementation of Scrum practices
- Implement engineering practices

Actions to keep doing:

- Regular meetings
- Pair programming
- Learning Android Development
- Working on GiG progress
- Improving UI

Work completed/not completed:

Completed:

- Login/Signup page with Google account
- Photo grid

Not Completed:

- content in the profile's subpages
- events page with nice UI and merged with rest of project
- music playback through soundcloud

Work completion rate:

- User stories completed: 2
- ideal completed work hours: 30
- total number days: 4
- user stories/day: .25
- ideal work hours/day: 4
